

## Proposed Parking Restrictions Survey

In response to community concerns, the City of Kyle is considering the addition of parking restrictions along three (3) roadways within the Steeplechase and Southlake Ranch subdivisions. These restrictions will be enforced Monday through Friday 8AM-5PM from September to May. The purpose of these additional parking restrictions is to help mitigate the observed safety hazards in these areas due to excessive student parking along these roadways, including the inability to support the intended two-way traffic flow and the impediment of emergency vehicle access.

The proposed additional parking restrictions are:

1. South side of Brutus Drive between Brandi Circle and Lehman Road
2. West side of Lake Washington Drive between Town Lake Bend and Mansfield Lake Trail
3. West side of Loon Lake Drive between southern end of Loon Lake Drive (south of Ruby Lake Drive) and Mansfield Lake Trail.

**Please answer the following questions to help us understand how this proposed matter impacts you:**

**1. Do you support the addition of parking restrictions along the South side of Brutus Drive between Brandi Circle and Lehman Road?**

Yes

No

**2. Do you support the addition of parking restrictions along the West side of Lake Washington Drive between Town Lake Bend and Mansfield Lake Trail?**

Yes

No

**3. Do you support the addition of parking restrictions along the West side of Loon Lake Drive between southern end of Loon Lake Drive (south of Ruby Lake Drive) and Mansfield Lake Trail?**

Yes

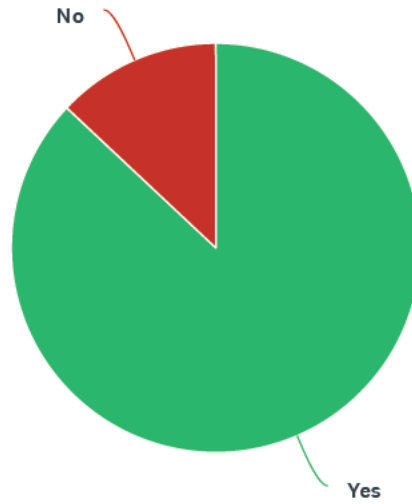

No

**4. What street do you live on?**

**5. Additional Comments**

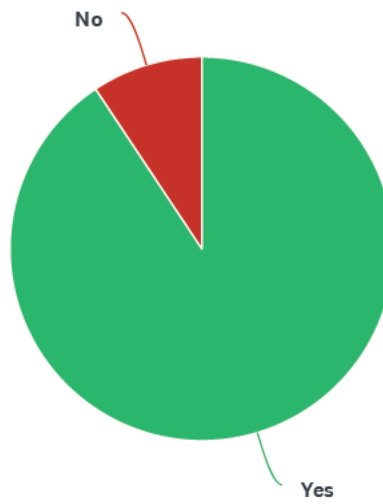

# Q1 Do you support the addition of parking restrictions along the South side of Brutus Drive between Brandi Circle and Lehman Road?

Answered: 77 Skipped: 3

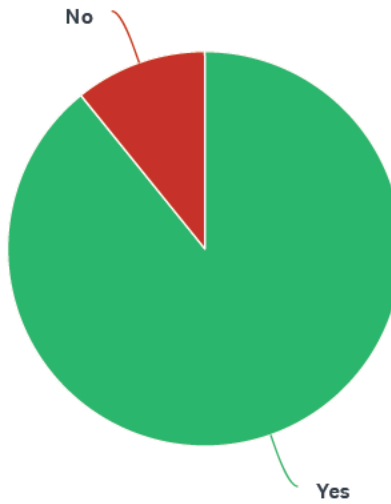

## Q2 Do you support the addition of parking restrictions along the West side of Lake Washington Drive between Town Lake Bend and Mansfield Lake Trail?

Answered: 75 Skipped: 5

Q3 Do you support the addition of parking restrictions along the West side of Loon Lake Drive between southern end of Loon Lake Drive (south of Ruby Lake Drive) and Mansfield Lake Trail?

Answered: 74 Skipped: 6

Proposed Parking Restrictions Survey

## Q5 Additional Comments

Answered: 56 Skipped: 24

#	RESPONSES	DATE
1	Very strongly feel parking should not be allowed for students along Lake Washington. As a resident it has become a nuisance not being able to safely drive on Lake Washington, and in the afternoon dealing with the reckless driving which caused an accident a couple of weeks ago. My property has been tagged with graffiti (pictures can be provided) and trash is constantly left on the road. No parking has been implemented at the entrance of Southlake Ranch and there is no reason why parking can't be restricted all the way to Mansfield Lake Dr.	4/12/2026 7:12 PM
2	Thank you for responding to the community concerns.	4/11/2026 11:08 AM
3	Its hard to pass thru the streets vehicle parked on both sides makes it very difficult to pass by!	4/7/2026 6:29 PM
4	During school hours it is almost impossible to drive down lake Washington due to the amount of cars parking along the street. I have physically seen kids park their cars and get out to walk. Have called non emergency and the city has done nothing about it	4/7/2026 5:18 PM
5	Students parking in the neighborhood make it near impossible pass through. I've witnessed several accident close calls because you can't see traffic turning left off spillway onto lake Washington	4/7/2026 5:07 PM
6	Over time, parking along this street has become increasingly congested, which is creating several concerns for residents. Vehicles parked along the roadway are making it difficult to safely navigate the street in the neighborhood and for these reasons I believe that implementing No Parking signage would greatly improve safety, accessibility, and quality of life for those living here.	4/7/2026 3:52 PM
7	No parking signs are locates on our street. However we are going to have the same problem when the road opens up at Onyx and Jade Lake. Please address now	4/7/2026 2:47 PM
8	The parking in this whole area has been a nightmare. When one road has been restricted, it doesn't stop the students from parking there. They only park everywhere else.	4/7/2026 2:07 PM
9	My main problem currently a being able to safely drive through when cars are parked on both sides of the street. Single-side parking seems a good solution to me.	4/7/2026 1:40 PM
10	East and West sides	4/7/2026 12:00 PM
11	COMPLETE SUPPORT THE ADDITIONAL RESTRICTIONS. I HIGHLY SUPPORT NOT JUST WEST BUT EAST SIDE OF LOON LAKE DR AND LAKE WASHINGTON. 1. SAFETY HAZARD 2. INABILITY TO SUPPORT 2 WAY TRAFFIC. 3. BLOCKING EMERGENCY ACCESS. 4. THE SCHIOL SHPULD ENFORCE THEIRVSTUDENTS TO PARK WITHIN SCHOOL PARKING PROPERTY. 5. SOME STUDENTS APPARENTLY DON'T HAVE A DL AND/ OR INSURANCE WHICH THEY SHOULD IF THEY ARE DRIVING A VEHICLE. EAST AND WEST SIDE OF LAKE WASHINGTON AND LOON LAKE!!!!!!	4/7/2026 11:52 AM
12	Both west AND east sides of Loon Lake and lake Washington should be blocked off. Especially the entrance of the neighborhood (Lake Washington). When cars are parked there on both sides it makes it almost impossible to even enter the neighborhood. We need law enforcement at dismissal times as well clearing people off. The District needs to figure out a different parent pick up location for parents to park such as the green area at the top of the hill (where cars usually park for events). More parking enforcement has to be done than just what is being proposed. Stop being flexible and prohibit it altogether between 8am and 5pm.	4/7/2026 11:39 AM
13	I am thrilled to hear that the city got word of how bad the student parking and unsafe situation is in our subdivisions. I live in the Southlake subdivision and this situation has been getting out of control as more and more students keep parking their cars and spilling out to these streets. It is and has been a concerned for a long time and keeps getting worst. As, more students that do not live in our neighborhood park and creates a safety hazard not just for them but for	4/7/2026 11:20 AM

## Proposed Parking Restrictions Survey

others. You will even find them parked exactly at the stop signs where it is intended to make a stop not to park. Very upsetting. Thank you and I hope the city and its residents can help resolve this with a positive outcome.

14	The parking is ridiculous in our subdivision, emergency services cannot come if need be during specific hours and that is not ok. It would be great to enforce parents from dropping off in our subdivisions as well, its just a mess and a hazard of students walking across the streets on their phones and not paying attention. I've also heard there are kids having sex in cars that park up on Lake Washington, this is just unacceptable.	4/7/2026 11:18 AM
15	These proposed changes keep residents from parking in front of their house and will just push the students further back into the neighborhoods. A permitted system is the best way to go.	4/6/2026 7:38 PM
16	It is very difficult to maneuver on Brutus while all the cars are parked there. You might also want to look at the entrance to steeplechase off of philomena, people parked along the sides of the roads causing a narrow choke point that is an accident waiting to happen.	4/6/2026 6:21 PM
17	Granite Shoals Drive	4/5/2026 11:58 AM
18	Si se estacionan todos a un solo sentido creo que no estorbarian y en nada perjudicaría, espero mi comentario les ayude.	4/5/2026 10:02 AM
19	Students also parking by the stop sign of Orion Cove and Brutus, the neighbor has cars parked in front of the house and when students park by the stop sign or even parents at pickup make is difficult to turn on to Orin Cove.	4/5/2026 9:47 AM
20	It would be good not to park near corners due to poor visibility when turn in spillway dr.	4/4/2026 5:27 PM
21	The packing from the high school is getting out of control again and nobody enforces the no parking signs in any part of the south Lake branch subdivision. Can you take your life in your own hands?	4/4/2026 11:22 AM
22	This will push student parking going east of Lake Washington on Town Lake Bend. Sidewalk needed in front of Lehman HS and going East to round-about. Need flashing school zone on a timer and crosswalk signs since old ones look like just a suggestion and not a requirement.	4/4/2026 11:10 AM
23	Yes please 100%. Not knowing who is parked in front of your house when your kids are going to and from school or work is always worrying. Its like a chill spot they smoking blasting mucsic and just in the car. Let someone do that with different cars doing at your house and you will understand. They kids park so close to the stop signs and on both sides of the street. In an emergency EMS services will barely make it through there. I've had kids mover my garbage cans so they can park and my garbage does not get picked up. When reversing out of your drive way always having one of the kids vehicle parked there makes it harder to get out because they are right up on line of your drive way. Lehman is doing all this construction and the fact that kids still feel the need to park in a sub division is not good. Have some type of incentive for the kids if they get straight A's or whatever give them free parking.	4/4/2026 9:01 AM
24	I support parking passes for south lake ranch residents. The problem is not the residents it's the school. When the parking restrictions went into affect for the fist have of our development nothing was fixed. It just moved Lehman students further into the development. We already have students parking in front of our house on spillway. I have talked to the superintendents just recently and they park in our development bc they skip school or the school requires registration and insurance. Homeowners should not be penalized for children's behaviors. If you don't have a pass you can't park between 8am-3pm Mon-Fri. All restaurants should be given free parking passes.	4/3/2026 7:01 PM
25	Will push all parking down my street, causing more parking issues in the neighborhood.	4/3/2026 2:58 PM
26	There has been parking during this time on Onyx lake drive under the no parking sign. When I called 311 no response	4/3/2026 11:34 AM
27	Some people make a huge fuss, but even with parking on both sides of the street, it's no worse than lots of Plum Creek. The current parking restrictions have negatively affected me.	4/2/2026 8:22 PM
28	People blocking my driveway	4/2/2026 8:04 PM
29	Build a parking garage	4/2/2026 5:37 PM
30	Hi, Loon Lake Drive has become a speeding street. We have several feral stray cats that the neighborhood care for and people walking their dogs with families. Zooming vehicles. I really	4/2/2026 2:33 PM

## Proposed Parking Restrictions Survey

don't mind students parking on our street. They need a place for their vehicles, I get it, but they do tend to litter, throwing food bags on the street, along with empty vape cases. Other than that, I'm good. It's a struggle to get out of my driveway every once and a while, but there are more important things to be concerned about, like loving my neighbor, unconditionally. Could we look into the idea of speed bumps on Loon Lake, perhaps or get a radar trailer out here to draw attention to the speeding cars? Data? Thank you for what you do and God bless you and your families

31	We need to enforce parking on these roads. Throughout the school year its very difficult to get in or out of my neighborhood because of students park on both side of the street. Also, it makes it very hard for emergency vehicles to get in and out of my neighborhood. Thursday is trash pick up in this area, and difficult for truck drivers to get to trash cans. I hope something can be done about this issue. Thank you Lake Washington Neighbor	4/1/2026 11:27 PM
32	Thank you for taking action! Besides being a nuisance, the many student cars lining our street during the day presents a safety hazard as traffic is reduced to one narrow lane.	4/1/2026 4:51 PM
33	Although current parking doesn't directly impact me as I make an effort to restrict my travel during school hours due to school hours parking currently- it's always a challenge dodging cars and students before and after school. I'm wondering if creating additional parking and pickup behind the high school has ever been considered. I do know I purchased my home in 2017 before school started and I was unaware how bad it was... I feel for homeowners attempting to sell their homes during the school year.	4/1/2026 2:18 PM
34	If you put restrictions on Brutus more cars will park on my street. It will also increase through traffic. It will make getting in and out of my street worse than it is. I would like to see Brutus closed at Lehman rd and fenced off or parking restricted to just residents and visitors on all streets within a 5 block radius of the high school. The high school has created this problem and should be the ones coming up with the parking solution.	4/1/2026 1:56 AM
35	Student parking on both sides of Lake Washington is seriously impeding traffic	3/31/2026 8:53 PM
36	Students park all over casper cove and Orion cove	3/31/2026 7:35 PM
37	No parking restrictions will cause chaos in an emergency. Therefore, I support these parking restrictions to keep the flow of traffic moving especially for emergency vehicles.	3/31/2026 5:44 PM
38	I live in the cul-de-sac and we always have after school parents and students turning around and we do have small children in our neighborhood not very safe because going down Brutus also people love to speed. I'm surprised we've not had more accidents. I was glad when they put up the one way carry on that no one could park on that one side of the road but being a two-way street it's really hard to get by especially when these people think they can take the middle of the road. People are flying both ways on Brutus when they come off of Brandy Circle and staple Chase it's really bad. Seems like the kids don't know what a stop sign is either. At the corner of Brandy in Brutus and then from Bruce to steeplechase people are always going without stopping. No one knows how to use blinkers if they're gonna go right or left on the street either. It's even bad enough dealing with the subdivision the beginning with all the elementary school getting out where the people park on the side of the road yes, they have to park back behind the signs, but do you know how hard it is to get by them when they're opening their doors or they're trying to get their child into the car no, not easy. I don't think they should be allowed to park on that road at all. Sit in the line like everybody else does.	3/31/2026 2:58 PM
39	this has become an excessive problem cars are piling up residents that live in this neighborhood can't even leave without almost causing a wreck because there's just no way it's only a one-way Street to and from most recently residents can't even pick up their trash because cars are blocking in front of their houses and the trash trucks can't fit and the trash trucks have their hands tied because it's an extreme emergency road hazard for their machine grabbers to Nick the side of vehicles let alone a massive trash truck being able to fit properly the way it was designed to with no cars being in the way there's times where my trash hasn't even been picked up because the trash truck has no access to the trash can itself the high school students stay they're doing nasty things they're hanging out they're leaving trash if simply they could not Park here all of this would go away	3/31/2026 12:02 PM
40	Implementing parking restrictions in our neighborhood is necessary to maintain safety, accessibility, and cleanliness. The increase in high school students parking in the area has led to blocked roadways, making it difficult for residents and emergency vehicles to navigate,	3/31/2026 11:59 AM

## Proposed Parking Restrictions Survey

while also contributing to ongoing litter issues. Reasonable restrictions would help ensure our streets remain safe, accessible, and respectful for the community.

41	This should have been considered before the additions to the school.	3/31/2026 11:25 AM
42	Big trucks park in front of my house making it difficult to back out of the driveway. I already have to deal with the end of school traffic blocking my house (around 4pm.)	3/31/2026 9:06 AM
43	If there are restrictions placed on Brutus Drive, that will have more students parking on Orion & Casper Coves. Making it more difficult to get in and out of those streets. Restrictions should be added to those streets as well.	3/31/2026 8:52 AM
44	This impacts homeowners who have multiple drivers! The homeowner gets punished for the kids! We need parking permits for our neighborhood	3/30/2026 9:02 PM
45	None	3/30/2026 8:46 PM
46	Kids and adults completely ignore the no parking signs. Time to start ticketing and make them pay fines. It's frustrating when we try to leave our homes and we can't get through our own streets because of cars are on both sides of the street and there is a car trying to squeeze by and we wait for them to go through so we can try to get through. It's kids and adults!	3/30/2026 6:49 PM
47	Enforce for students, AND residents, as many residents have been parking in excess of 4 vehicles.	3/30/2026 6:40 PM
48	Too many drivers use Brutus Drive to bypass traffic lights. I would like for the city to control traffic flow on Brutus Drive. Also I would like for the city to install speed bumps on Lehman Rd near the school parking lot to slow down speeder's.	3/30/2026 5:59 PM
49	This really needs to apply to all of Southlake ranch subdivision. With the current and proposed restrictions, the students will just park on the next street over, such as Mood Lake where I live at.	3/30/2026 5:40 PM
50	Alot of Kids are also parking on lake Washington past the 3 way stop at Mansfield dr plus not only kids but grown adults don't stop at the stop sign they blow right thru it. Very dangerous as to Kids playing and riding their bikes plus not to mention Very dangerous as we try to back out of driveway carefully as someone just blows thru the stop sign	3/30/2026 3:20 PM
51	The traffic the parking everything around here is horrible the high parking on our street when signs are clearly labeled not to park there who do we call I come home. My driveway is always blocked from parents picking up their kids and the sign. Say no parking Monday through Friday 8 AM to 5 PM we really need help and we really need to widen Bunton Creek.	3/30/2026 2:55 PM
52	The parking on the street while there are clearly signs saying not to do so, has gotten out of control. I live on Sapphire Lake Dr and we are now having to deal with some students parking on this street as well. Not to mention the littering and drug dealing and purchasing the students that are in Lehman High School participate in. There have been many reports and neighbors finding THC vape boxes and other narcotics discarded along the street.	3/29/2026 11:40 PM
53	Ticket the cars with no parking pass. Hopefully , this will keep the kids from the high school from parking in our neighborhood	3/29/2026 10:16 PM
54	I drive through west side of Lake Washington to get home - there are a lot of kids and a cat living on that street who are always running across the street to play together but it's hard to spot them with all the cars. I'm worried about them a lot.	3/27/2026 8:49 PM
55	Brutus already has restrictions on the north side. I think this is sufficient and allows for the residents on the south side to park in front of their homes. I can't speak for the other streets, since I don't travel there.	3/26/2026 8:03 PM
56	Not only is the student parking a problem , but they enter the neighborhood with loud music and loud thumping that makes your whole house shake. Also you have parents parking and waiting to pick up their kids along these roads.	3/26/2026 4:18 PM

Page 1

**Q1** **Yes**

Do you support the addition of parking restrictions along the South side of Brutus Drive between Brandi Circle and Lehman Road?

---

**Q2** **Yes**

Do you support the addition of parking restrictions along the West side of Lake Washington Drive between Town Lake Bend and Mansfield Lake Trail?

---

**Q3** **Yes**

Do you support the addition of parking restrictions along the West side of Loon Lake Drive between southern end of Loon Lake Drive (south of Ruby Lake Drive) and Mansfield Lake Trail?

---

**Q4**

What street do you live on?

Spillway Dr

---

**Q5**

Additional Comments

I drive through west side of Lake Washington to get home - there are a lot of kids and a cat living on that street who are always running across the street to play together but it's hard to spot them with all the cars. I'm worried about them a lot.

Sapphire Lake Dr

---

**Q5**

Additional Comments

The parking on the street while there are clearly signs saying not to do so, has gotten out of control. I live on Sapphire Lake Dr and we are now having to deal with some students parking on this street as well. Not to mention the littering and drug dealing and purchasing the students that are in Lehman High School participate in. There have been many reports and neighbors finding THC vape boxes and other narcotics discarded along the street.

Sapphire lake

---

**Q5**

Additional Comments

The traffic the parking everything around here is horrible the high parking on our street when signs are clearly labeled not to park there who do we call I come home. My driveway is always blocked from parents picking up their kids and the sign. Say no parking Monday through Friday 8 AM to 5 PM we really need help and we really need to widen Bunton Creek.

Lake Washington

---

**Q5**

Additional Comments

Alot of Kids are also parking on lake Washington past the 3 way stop at Mansfield dr plus not only kids but grown adults don't stop at the stop sign they blow right thru it. Very dangerous as to Kids playing and riding their bikes plus not to mention Very dangerous as we try to back out of driveway carefully as someone just blows thru the stop sign

Town Lake Bend

---

**Q5**

Additional Comments

Kids and adults completely ignore the no parking signs. Time to start ticketing and make them pay fines. It's frustrating when we try to leave our homes and we can't get through our own streets because of cars are on both sides of the street and there is a car trying to squeeze by and we wait for them to go through so we can try to get through. It's kids and adults!

---

**Q4**

What street do you live on?

Loon Lake Drive

---

**Q5**

Additional Comments

Implementing parking restrictions in our neighborhood is necessary to maintain safety, accessibility, and cleanliness. The increase in high school students parking in the area has led to blocked roadways, making it difficult for residents and emergency vehicles to navigate, while also contributing to ongoing litter issues. Reasonable restrictions would help ensure our streets remain safe, accessible, and respectful for the community.

**Q5**

Additional Comments

this has become an excessive problem cars are piling up residents that live in this neighborhood can't even leave without almost causing a wreck because there's just no way it's only a one-way Street to and from most recently residents can't even pick up their trash because cars are blocking in front of their houses and the trash trucks can't fit and the trash trucks have their hands tied because it's an extreme emergency road hazard for their machine grabbers to Nick the side of vehicles let alone a massive trash truck being able to fit properly the way it was designed to with no cars being in the way there's times where my trash hasn't even been picked up because the trash truck has no access to the trash can itself the high school students stay they're doing nasty things they're hanging out they're leaving trash if simply they could not Park here all of this would go away

**Q1** **Yes**

Do you support the addition of parking restrictions along the South side of Brutus Drive between Brandi Circle and Lehman Road?

---

**Q2** **Yes**

Do you support the addition of parking restrictions along the West side of Lake Washington Drive between Town Lake Bend and Mansfield Lake Trail?

---

**Q3** **Yes**

Do you support the addition of parking restrictions along the West side of Loon Lake Drive between southern end of Loon Lake Drive (south of Ruby Lake Drive) and Mansfield Lake Trail?

---

**Q4**

What street do you live on?

Casper Cove

---

**Q5**

Additional Comments

I live in the cul-de-sac and we always have after school parents and students turning around and we do have small children in our neighborhood not very safe because going down Brutus also people love to speed. I'm surprised we've not had more accidents. I was glad when they put up the one way carry on that no one could park on that one side of the road but being a two-way street it's really hard to get by especially when these people think they can take the middle of the road. People are flying both ways on Brutus when they come off of Brandy Circle and staple Chase it's really bad. Seems like the kids don't know what a stop sign is either. At the corner of Brandy in Brutus and then from Bruce to steeplechase people are always going without stopping. No one knows how to use blinkers if they're gonna go right or left on the street either.

It's even bad enough dealing with the subdivision the beginning with all the elementary school getting out where the people park on the side of the road yes, they have to park back behind the signs, but do you know how hard it is to get by them when they're opening their doors or they're trying to get their child into the car no, not easy. I don't think they should be allowed to park on that road at all. Sit in the line like everybody else does.

---

**Q4**

What street do you live on?

Brandi Circle

---

**Q5**

Additional Comments

No parking restrictions will cause chaos in an emergency. Therefore, I support these parking restrictions to keep the flow of traffic moving especially for emergency vehicles.

**Q5**

Additional Comments

If you put restrictions on Brutus more cars will park on my street. It will also increase through traffic. It will make getting in and out of my street worse than it is. I would like to see Brutus closed at Lehman rd and fenced off or parking restricted to just residents and visitors on all streets within a 5 block radius of the high school. The high school has created this problem and should be the ones coming up with the parking solution.

---

**Q5**

Additional Comments

Although current parking doesn't directly impact me as I make an effort to restrict my travel during school hours due to school hours parking currently- it's always a challenge dodging cars and students before and after school.

I'm wondering if creating additional parking and pickup behind the high school has ever been considered. I do know I purchased my home in 2017 before school started and I was unaware how bad it was... I feel for homeowners attempting to sell their homes during the school year.

---

**Q5**

Additional Comments

We need to enforce parking on these roads. Throughout the school year its very difficult to get in or out of my neighborhood because of students park on both side of the street. Also, it makes it very hard for emergency vehicles to get in and out of my neighborhood. Thursday is trash pick up in this area, and difficult for truck drivers to get to trash cans. I hope something can be done about this issue.

Thank you  
Lake Washington  
Neighbor

Additional Comments

Hi, Loon Lake Drive has become a speeding street. We have several feral stray cats that the neighborhood care for and people walking their dogs with families. Zooming vehicles. I really don't mind students parking on our street. They need a place for their vehicles, I get it, but they do tend to litter, throwing food bags on the street, along with empty vape cases. Other than that, I'm good. It's a struggle to get out of my driveway every once and a while, but there are more important things to be concerned about, like loving my neighbor, unconditionally. Could we look into the idea of speed bumps on Loon Lake, perhaps or get a radar trailer out here to draw attention to the speeding cars? Data? Thank you for what you do and God bless you and your families

---

**Q4**

What street do you live on?

South lake ranch

---

**Q5**

Additional Comments

I support parking passes for south lake ranch residents. The problem is not the residents it's the school. When the parking restrictions went into affect for the fist have of our development nothing was fixed. It just moved Lehman students further into the development. We already have students parking in front of our house on spillway. I have talked to the superintendents just recently and they park in our development bc they skip school or the school requires registration and insurance. Homeowners should not be penalized for children's behaviors. If you don't have a pass you can't park between 8am-3pm Mon-Fri. All restaurants should be given free parking passes.

**Q4**

What street do you live on?

Lake Washington Drive

---

**Q5**

Additional Comments

Yes please 100%. Not knowing who is parked in front of your house when your kids are going to and from school or work is always worrying. Its like a chill spot they smoking blasting mucsic and just in the car. Let someone do that with different cars doing at your house and you will understand. They kids park so close to the stop signs and on both sides of the street. In an emergency EMS services will barely make it through there. I've had kids mover my garbage cans so they can park and my garbage does not get picked up. When reversing out of your drive way always having one of the kids vehicle parked there makes it harder to get out because they are right up on line of your drive way. Lehman is doing all this construction and the fact that kids still feel the need to park in a sub division is not good. Have some type of incentive for the kids if they get straight A's or whatever give them free parking.

Loon Lake Dr

---

**Q5**

Additional Comments

This will push student parking going east of Lake Washington on Town Lake Bend. Sidewalk needed in front of Lehman HS and going East to round-about. Need flashing school zone on a timer and crosswalk signs since old ones look like just a suggestion and not a requirement.

Lake Washington Dr.

---

**Q5**

Additional Comments

The parking is ridiculous in our subdivision, emergency services cannot come if need be during specific hours and that is not ok. It would be great to enforce parents from dropping off in our subdivisions as well, its just a mess and a hazard of students walking across the streets on their phones and not paying attention. I've also heard there are kids having sex in cars that park up on Lake Washington, this is just unacceptable.

Loon Lake Drive

---

**Q5**

Additional Comments

I am thrilled to hear that the city got word of how bad the student parking and unsafe situation is in our subdivisions. I live in the Southlake subdivision and this situation has been getting out of control as more and more students keep parking their cars and spilling out to these streets. It is and has been a concern for a long time and keeps getting worse. As, more students that do not live in our neighborhood park and create a safety hazard not just for them but for others. You will even find them parked exactly at the stop signs where it is intended to make a stop not to park. Very upsetting. Thank you and I hope the city and its residents can help resolve this with a positive outcome.

---

**Q4**

What street do you live on?

Loon Lake

---

**Q5**

Additional Comments

Both west AND east sides of Loon Lake and lake Washington should be blocked off. Especially the entrance of the neighborhood (Lake Washington). When cars are parked there on both sides it makes it almost impossible to even enter the neighborhood. We need law enforcement at dismissal times as well clearing people off. The District needs to figure out a different parent pick up location for parents to park such as the green area at the top of the hill (where cars usually park for events). More parking enforcement has to be done than just what is being proposed. Stop being flexible and prohibit it altogether between 8am and 5pm.

Loon Lake Drive

---

**Q5**

Additional Comments

Over time, parking along this street has become increasingly congested, which is creating several concerns for residents. Vehicles parked along the roadway are making it difficult to safely navigate the street in the neighborhood and for these reasons I believe that implementing No Parking signage would greatly improve safety, accessibility, and quality of life for those living here.

**Q1** Yes

Do you support the addition of parking restrictions along the South side of Brutus Drive between Brandi Circle and Lehman Road?

---

**Q2** Yes

Do you support the addition of parking restrictions along the West side of Lake Washington Drive between Town Lake Bend and Mansfield Lake Trail?

---

**Q3** Yes

Do you support the addition of parking restrictions along the West side of Loon Lake Drive between southern end of Loon Lake Drive (south of Ruby Lake Drive) and Mansfield Lake Trail?

---

**Q4**

What street do you live on?

Spillway dr

---

**Q5**

Additional Comments

Students parking in the neighborhood make it near impossible pass through. I've witnessed several accident close calls because you can't see traffic turning left off spillway onto lake Washington

---

**Q4**

What street do you live on?

Spillway Drive

---

**Q5**

Additional Comments

During school hours it is almost impossible to drive down lake Washington due to the amount of cars parking along the street. I have physically seen kids park their cars and get out to walk. Have called non emergency and the city has done nothing about it

Corner of Spillway & Lake Washington

---

**Q5**

Additional Comments

Very strongly feel parking should not be allowed for students along Lake Washington. As a resident it has become a nuisance not being able to safely drive on Lake Washington, and in the afternoon dealing with the reckless driving which caused an accident a couple of weeks ago. My property has been tagged with graffiti (pictures can be provided) and trash is constantly left on the road. No parking has been implemented at the entrance of Southlake Ranch and there is no reason why parking can't be restricted all the way to Mansfield Lake Dr.
