Does the stormwater structural control present a nuisance or danger to public safety or public health?

Y

N

If Yes, the owner(s) shall have 30 days to complete maintenance and repair requirements per City of Kyle Ordinance No. 1100. If corrective actions cannot be completed within thirty (30) calendar days from the date of the inspection and/or by December 1st, a draft inspection report, with compliance timeline, shall be submitted to the City of Kyle for approval.

Did the inspection document a deficiency requiring corrective action?

Y

N

If Yes, describe the deficiency(ies) using an additional page if needed:

Attach an estimated timeline for compliance.
