Instructions: Complete this application as part of **Step 3: Get your landscape approved**. Your rebate amount is dependent upon how many sqft of turf grass you remove. However, please include details, photos, and receipts for all other eligible work, services, and purchases. Then, send all items including a copy of your current utility bill to wcrp@cityofkyle.com. In the Subject Line of the email, type "**Residential WaterSaver Landscapes Rebate Program Final Approval Application**". If the application is approved, you will be notified by email. The incentive rebate will be mailed after all of the program's eligibility requirements have been met. Thank you for participating in this pilot program!
